PLACES TO STAY

Warragul Area

West Gippsland

Art & Wineries

Welcome... This is a trail linking art and wineries in the Baw Baw Shire which invites you to jump in anywhere along the route and choose what you would like to see. We have an abundance of lush green pastures, rolling hills and state forests as well as cafés and fresh produce farms in the West Gippsland region and by following the trail you have a great excuse for a country drive. See some inspiring artwork, eat, drink and delight in the spectacular scenery.

As the trail only focuses on art and wine, I have omitted many of the other wonderful attractions of the area, for example, **Darnum Musical Village, Mount Worth, assorted walking and riding trails, Jindivick and Yarragon villages, Glen Nayook, the famous Noojee Trestle Bridge, Toorong Falls, Mount Cannibal, Gumbuya Park** and great cafés and restaurants which will form the basis for other trails. You may discover many of these along the way while enjoying the beautiful views of West Gippsland only one and a half hours east of Melbourne.

Hope you have a good trip and enjoy your time with us.

Good on ya
